

WSD Photo Challenge

The World Sepsis Day Photo Challenge is a great way to show your support for #WorldSepsisDay and the #FightAgainstSepsis in 3 quick and easy steps.

Step 1:

Print the photo board you like the best and write your name on it (preferably with a marker).

Step 2:

Have somebody take your picture.

Step 3:

Upload the picture to Instagram, Twitter, or Facebook on or around WSD, tag us in the post and include the hashtag #WorldSepsisDay.

Scroll down to choose your photo board!
